

Indian Queens Primary School – Geography Long Term Plan – March 2022						
Reception	Area of the EYFS		Key skills/knowledge	How we teach it	Early Learning Goal	
	Understanding the world Mathematics (special awareness) Language and communication		To know places in the local community To read a simple map To understand landmarks on the map are permanent	Weekly ‘welly walks’ St David’s, St Andrew’s day Discussions about local places that children have visited included local attractions and churches. Conversations about local areas of work and who we aspire to.	People, culture and communities The natural world	
<i>In KS1 geography is taught as part of the following overarching topics.</i>						
Year 1	Hop on, Hop off, London		Spots, Stripes and Scales	Roots, Shoots and Muddy Boots	To the Rescue	Carnival!
Year 2	Muck, mess and mixtures	Who lives in a house like this?	Strike up the Band	Watch it Grow	Bounce	Treasure Island
<i>In KS2 geography is sometimes taught as part of an overarching topic and is sometimes taught as a standalone topic.</i>						
Year 3	Why is China clay so important to Cornwall?		Why is it so important to protect the Amazon Rainforest?		Why do people live near volcanoes?	
Year 4	What is special about the River Fal?		What is life like in the Scottish Highlands?		What is life like in Ethiopia?	
Year 5	What is so special about the coast of Cornwall?		Where does our food come from? (UK farming, global food supply and fair trade)		The Camargue (France) – What is a delta and who lives and works there?	
Year 6	Does Cornwall need tourism?		Is extreme weather becoming more common? (including storms, polar extremes and equatorial extremes)		What challenges do the inhabitants of Mexico face?
