Thanks ever so much to all parents and carers for your support with our Spring Events. We raised over £300 for the school and children had an amazing time!

As you know, the Friends of the School raises money to benefit pupils by funding equipment and activities that enrich their school lives. An equally important function is to involve the parent community in the life of the school and organise opportunities for parents to meet and get to know one another.

With these aims in mind, the committee organise several fun, social events during the year and we can't wait to continue this great work in the next term.

Help is always needed organising and running events and we are always looking for new members to help, so please get in touch with us via our Facebook page (www.facebook.com/foiqs) or email fos@indianqueensschool.org if you would like to get involved.
