2023 – 2024

- People who help to keep me safe

Communication and Language:

Communication and Language is developed throughout the year through high quality interactions through daily group discussions, circle times, stories, singing and nursery rhymes.
It is closely linked with our reading and phonics.
We use WellComm in Nursery, and NELI in Reception, to identify all children's needs within their language and understanding and use this to provide both whole setting activities and individual targeted intervention when there is a need identified.

Little Wandle Foundations for language:

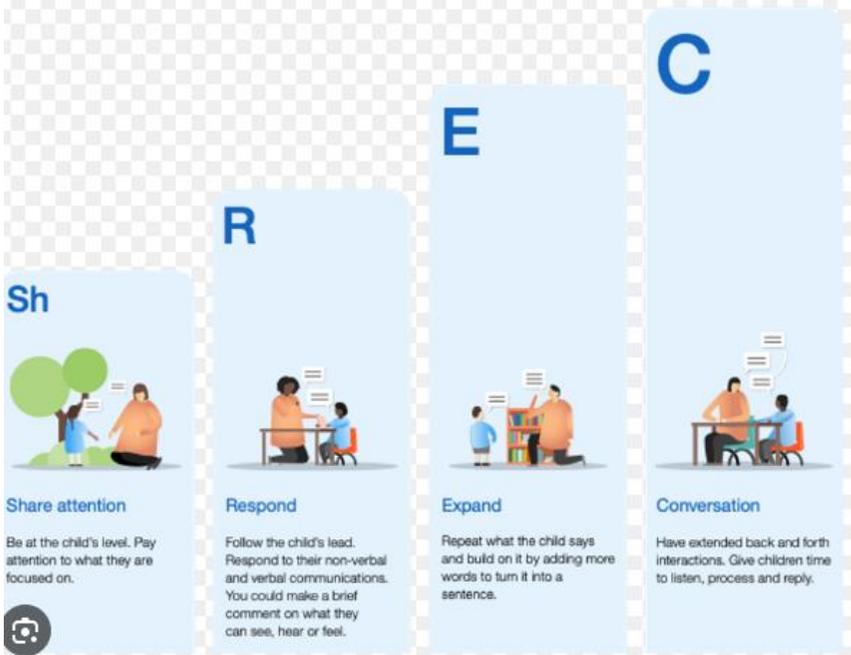

Foundations for Language
Interaction techniques

<p>Tune in Watch, wait, wonder</p>	<p>Pause more Think before you speak</p>	<p>Running commentary Narrate the activity</p>	<p>Make links Connect to what they know</p>	<p>Give choices Model language</p>
<p>Recast and extend Build on language</p>	<p>Name Point and label</p>	<p>Ask open questions Find out more</p>	<p>Prompt thinking Think, suggest, wonder</p>	<p>Comment Tell, don't ask</p>

The SHREC Approach:

Indian Queens Nursery and Reception Long Term Planning
2023 – 2024

	 <p>The infographic illustrates four key strategies for language development, each represented by a vertical blue bar with an illustration and text:</p> <ul style="list-style-type: none"> Share attention (Sh): Be at the child's level. Pay attention to what they are focused on. Respond (R): Follow the child's lead. Respond to their non-verbal and verbal communications. You could make a brief comment on what they can see, hear or feel. Expand (E): Repeat what the child says and build on it by adding more words to turn it into a sentence. Conversation (C): Have extended back and forth interactions. Give children time to listen, process and reply. 					
<p>Reading/ Phonics Birth - 3</p>	<p>I enjoy sharing books with an adult.</p>	<p>I can join in with songs and rhymes, copying sounds,</p>	<p>I can copy finger movements and other gestures.</p>	<p>I can sing songs and say rhymes independently,</p>	<p>I can ask questions about the book.</p>	<p>I can develop play around favourite stories using props.</p>

2023 – 2024

		Tricky words: Put, pull, full. As, and, has, his, her, go, no, to, into, she, push, he, of, we, me, be.	Was, you, they, my, by, all, are, sure, pure.	Words ending in – ing Words with s in the middle /z/ s Words ending -s Words with -es at the end /z/.	love do, were, here, little, says, there, when, what, one, out, today.	Root words ending in: ing, ed /t/, ed /id/ /ed/ /d/. Review all tricky words – secure spelling.
Writing Birth - 3	My coordination is developing. I can pass things from one hand to the other.	I can use large and small motor skills to do things independently e.g buttons, zips and pour drinks.	I am developing manipulation and control as I explore different materials and tools.	I enjoy drawing freely. I can express idea and feeling through making marks and sometimes give a meaning to the marks I make.	I can add some marks to my drawings, which I give meaning to e.g “that says mummy”.	I can make marks on my pictures to stand for my name.
Writing 3-4 Years	I can use large muscle movements to wave flags and	I can use one-handed tools and equipment e.g making snips in paper with scissors.	I can use a comfortable grip with good control when holding pens and pencils.	I can draw with increasing complexity and detail, e.g representing a face	I can use some of my print and letter knowledge in my early writing e.g I can write a pretend shopping list	I can write some letters accurately. I can write my name.

Indian Queens Nursery and Reception Long Term Planning
2023 – 2024

	streamers, paint and make marks.		I am beginning to show a preference for a dominant hand.	with a circle and including details.	tha starts at the top of the page. I can write some or all of my name.	
Physical Development	<p>Children develop their physical development through access to the outdoor provision for gross motor skills such as balancing, riding and ball skills, going up steps and apparatus using alternate feet, hop and stand on one leg and hold a pose.</p> <p>Children have daily adult led sessions to develop their gross motor skills which includes yoga, big movement songs, dough disco, adult-led movement to music (supporting children to remember sequences and patterns of movement to music), Squiggle while you Wiggle.</p> <p>During continuous provision children have access to a range of resources to support their gross and fine motor skills including funky finger activities (Cutting, weaving, threading, manipulating tweezers, pinching etc), playdough, mark making and construction.</p> <p>According to their individual needs children are supported to become increasingly independent with their own selfcare needs such as toileting and dressing. Children become confident in using a knife and fork having school dinners within the hall.</p> <p style="text-align: center;"><u>Children are supported to identify and make healthy choices with their food and drink choices during our daily snack times.</u></p>					
PE Reception (Complete PE scheme)	Walking and special awareness.	Hands	Moving	Movement to Nursery Rhymes.	Jumping and landing.	Multiskills.
Maths Birth - 3	I can combine objects like stacking blocks and cups. I can put objects inside others and take them out again.	I can take part in finger rhymes with numbers. I can react to changes of amount in a group of up to three items.	I can compare amounts, saying 'lots', 'more' or 'same'. I am developing counting-like behaviour, such as	I can count in everyday contexts, sometimes skipping numbers - '1-2-3-5'.	I can climb and squeeze myself into different types of spaces. I can build with a range of resources.	I can compare sizes, weights, etc, using gesture and language - 'bigger / little / smaller', 'high / low', 'tall', 'heavy'.

Indian Queens Nursery and Reception Long Term Planning
2023 – 2024

			making sounds, pointing or saying some numbers in sequence		I can complete inset puzzles.	I can notice and arrange things in patterns.
Maths 3 and 4 Years	I can categorise and make comparisons of objects by colour, shape, and size. I can talk about pattern around me. For example: stripes on clothing, designs on rugs and wallpapers. I can use informal language such as 'pointy', 'spotty' and 'blobs'	I am developing fast recognition of up to three objects without having to count them individually. (subitising) I can say one number for each object in order: 1,2,3,4,5. I can extend an ABAB pattern. I can notice and correct an error in a repeating pattern	I know that the last number reached when counting a small set of objects tells you how many there are in total (cardinal principle) I can show finger numbers up to five I can link numerals and amounts: for example, I can show the right number of objects to match the numeral up to five. I can experiment with my own symbols and marks as well as numerals. I can solve real world mathematical problems with numbers up to five.	I can recite numbers past 5 I can make comparisons between objects relating to their size, weight, length, and capacity.	I can compare quantities using the language 'more than' and 'fewer than' I can talk about 2D and 3D shapes (squares, rectangles, circles, triangles and cuboids) using informal mathematical language. I can select shapes appropriately: flat surfaces for building, a triangular prism for a roof. I can combine shapes to make new ones.	I am beginning to describe a sequence of events, real or fictional, using words such as 'first', 'then' I can understand position through word alone – for example 'the bag is under the table' with no pointing. I can describe as familiar route. I can discuss routes and locations, using words like 'in front of' and 'behind'
Maths – Reception (White Rose)	Match, sort and compare. Talk about measure and patterns. It's me 1,2,3		Alive in 5 Mass and capacity Growing 6,7,8		To 20 and beyond How many now? Sharing and grouping	

Indian Queens Nursery and Reception Long Term Planning
2023 – 2024

	Circles and Triangles 1,2,3,4,5 Shapes with 4 sides.		Length, height and time Building 9 and 10 Explore 3D shapes		Visualise, build and map Make connections	
Understanding the Word Birth - 3	I repeat actions that have an effect, for example rolling a ball down a pipe or dropping a stone into water and observing the splash	I can explore materials with different properties.	I can make connections between the features of my family and other families.	I can explore different materials, indoors and outdoors.	I can respond to and explore natural phenomena within the setting.	I can notice differences between people.
Understanding the Word 3-4 Years	I am beginning to make sense of my own life-story and my family history. I use all of my senses in hands-on exploration of natural materials.	I can explore collections of materials with similar and different properties.	I can talk about the difference between materials and changes I notice.	I can show an interest in different occupations. I am developing positive attitudes about the difference between people. I know there are different countries in the world and talk about differences they have seen in pictures.	I can plant seeds and care for growing plants. I can understand key features of a plant lifecycle. I can describe the life cycle of an animal.	I can talk about different forces and how they feel.
Understanding the World Reception	I can Talk about members of my immediate family and community. I can name and describe people who are familiar to them.	I can comment on images of familiar situations in the past. Understand that some places are special to members of their community.	I can compare and contrast characters from stories, including figures from the past. I can describe what they see, hear and feel whilst outside.	Recognise some similarities and differences between life in this country and life in other countries.	I can explore the natural world around me. I understand the effect of changing seasons on the natural world around them.	I can draw information from a simple map

Indian Queens Nursery and Reception Long Term Planning
2023 – 2024

	I can recognise some environments that are different from the one I live in.	I can recognise that people have different beliefs and celebrate special times in different ways.				
Expressive Arts and Design Birth - 3	<p>I can show attention to sounds and music.</p> <p>I can respond emotionally and physically to music when it changes.</p> <p>I can move and dance to music.</p> <p>I can anticipate phrases and actions in rhymes and songs.</p> <p>I can explore my voice and enjoy making sounds.</p>	<p>I can join in with songs and rhymes, making some sounds.</p> <p>I can make rhythmical and repetitive sounds.</p> <p>I can explore a range of sound-makers and instruments and play them in different ways.</p>	<p>I notice patterns with strong contrasts, and I am attracted by patterns resembling the human face.</p> <p>I am starting to make marks intentionally. I can explore paint, using my fingers and other parts of my body, as well as brushes and other tools.</p>	I enjoy and take part in actions songs.	I am starting to develop pretend play, pretending that one object represents another.	<p>I can explore different materials, using all my senses to investigate and play with different materials.</p> <p>I can use my imagination as I consider what I can do with different materials.</p> <p>I can express my ideas.</p>
Expressive Arts and Design 3 to 4 Years	<p>I can take part in simple pretend play, using an object to represent something else even though they are not similar.</p> <p>I am beginning to develop complex stories using small world equipment.</p>	<p>I can explore different materials freely to develop my ideas about how to use them and what to make.</p> <p>I am developing my own ideas and deciding which</p>	<p>I can create closed shapes with continuous lines and begin to use these shapes to represent objects.</p> <p>I can draw with increasing complexity and detail such as</p>	<p>I can explore colour and colour mixing.</p> <p>I can listen with increased attention to sounds.</p> <p>I can respond to what I have heard, expressing my thoughts and feelings.</p>	<p>I can remember and sing entire songs.</p> <p>I can sing the pitch of a tone sung by another (pitch match).</p> <p>I can sing the melodic shape (moving melody such as up and down) or familiar songs.</p>	<p>I can play instruments with increasing control to express my feelings and ideas.</p>

Indian Queens Nursery and Reception Long Term Planning
2023 – 2024

	I can make imaginative and complex 'small worlds' with blocks and construction, e.g a city with different buildings.	materials to use to express them. I can join different materials and explore different textures.	representing a face with a circle. I can use drawing to represent ideas like movement and loud noises. I can show different emotions in my drawings and paintings.		I can create my own songs or improvise a song around one that I know.	
Expressive Arts and Design Reception	I can explore, use and refine a variety of artistic effects to express their ideas and feelings. I can return to and build on my previous learning, refining ideas and developing their ability to represent them.	I can create collaboratively, sharing ideas, resources and skills	I can listen attentively, move to and talk about music, expressing my feelings and responses.	I can watch and talk about dance and performance art, expressing my feelings and responses	I can sing in a group or on my own, increasingly matching the pitch and following the melody.	I can develop storylines in my pretend play.

“We understand and appreciate the importance of the outdoor environment for our children. It is a continuation of our indoor provision and it will be used at every opportunity. At Indian Queens, we provide our children with opportunities to develop their independence and physical development to deepen their imaginations and also their sense of curiosity. We want the children to feel safe and secure at all times and ensure that our safeguarding procedures are rigorous and kept up to date. Communication is important to us and we greatly value the relationship that we develop with parents throughout this vital year.” Indian Queens Early Years Team.

Indian Queens Nursery and Reception Long Term Planning 2023 – 2024

Continuous Provision at Indian Queens Nursery is where children have access to high quality, well organised resources which allows the time, space and opportunity to practise skills that have been taught. Continuous provision time, which we call “Busy Learning”, allows children to problem solve, develop communication skills and learn to build strong relationships to make their own choices and become independent learners.

Enhancements and provocations for learning are added to the environment to support the teaching of topic-based learning and to follow the interests of individual children

	AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2
GENERAL THEMES	WHERE WILL WE GO?	HOW DO WE CELEBRATE?	WHERE DOES OUR FOOD COME FROM?	WHO ARE OUR REAL LIFE HEROES?	WHAT MAKES THING GROW?	WHAT KEEPS MY HEART HEALTHY?
 COEL 	Characteristics of Effective Learning					
	<p>Playing and exploring: - Children investigate and experience things, and ‘have a go’. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning</p> <p>Active learning: - Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence.</p> <p>Creating and thinking critically: - Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.</p>					
<p>Unique Child: Every child is unique and has the potential to be resilient, capable, confident and self-assured.</p> <p>Positive Relationships: Children flourish with warm, strong & positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone – embrace each community.</p> <p>Enabling environments: Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time.</p> <p>Learning and Development: Children develop and learn at different rates (not in different ways as it stated 2017). We must be aware of children who need greater support than others.</p>						
<p><i>PLAY: At Indian Queens School, we understand that children learn best when they are absorbed, interested and active. We understand that active learning involves other children, adults, objects, ideas, stimuli and events that aim to engage and involve children for sustained periods. We believe that Early Years education should be as practical as possible and therefore, we are proud that our EYFS setting has an underlying ethos of ‘Learning through play. PLAY is essential for children’s development across all areas. Play builds on children’s confidence as they learn to explore, to relate to others around them and develop relationships, set their own goals and solve problems. Children learn by leading their own play and by taking part in play which is guided by adults.’</i></p> <p>EYFS Team</p>						
<p>We will ensure that all children learn and develop well and are kept healthy and safe at ALL times.</p>
