# Vision and Values

Behold the day. It's yours to make!

We want to be a school where:

- Children will connect with a world of opportunity.
- Everyone will discover that learning is limitless.
- Learning through exploration will enable children to find their own pathway.
- There will be no barriers to excellence in achievement.

What we do:

- We value everyone.
- We communicate with respect.
- We explore every opportunity to grow.
- We provide an inspiring curriculum.
- We are passionate about learning.

Our core values are:

Courage      Kindness      Trust

# Behaviour and Achievements

- Each class has a 'Core Values Tree' where pupils move up towards 'Sky-high' for positive contributions such as showing concentration, courage, co-operation, or showing an excellent self- belief to work.
- Pupils can move down if they show negative behaviour. If they reach the roots and come off the tree, they will have a chat with a member of SLT who will outline school expectations.
- At the end of the week, those who reach 'Sky-high' receive a certificate at the weekly 'Achievement Assembly'.

# Reading

Although your child will be taught to read at school, you can have a huge impact on their reading journey by continuing their practice at home.

**There are two types of reading book** that your child may bring home:

A reading practice book. This will be at the correct phonic stage for your child. They should be able to read this **fluently and independently.**

**A sharing book.** Your child will not be able to read this on their own. This book is for you both to read and enjoy together.

## **Reading practice book**

This book has been carefully matched to your child's current reading level. If your child is reading it with little help, **please don't worry that it's too easy – your child needs to develop fluency and confidence in reading.**

Listen to them read the book. Remember to give them lots of praise – celebrate their success! If they can't read a word, read it to them. After they have finished, talk about the book together.

## **Sharing book**

In order to encourage your child to become a lifelong reader, it is important that they learn to read for pleasure. The sharing book is a book they have chosen for you to enjoy together.

Please remember that you shouldn't expect your child to read this alone. Read it to or with them. Discuss the pictures, enjoy the story, predict what might happen next, use different voices for the characters, explore the facts in a non-fiction book. The main thing is that you have fun!

## **Reading practice book**

Books will be numbered and allocated to your child.

You are responsible for this book and we ask you to return the book in good condition on the following Monday morning as the book may need to be used for another group.

## For parents

The resources on this page will help you support your child with saying their sounds and writing their letters. There are also some useful videos so you can see how they are taught at school and feel confident about supporting their reading at home. Find our full Reception and Year 1 teaching programme overview [here](#) to see what your child will learn and when.

**Parents!** If you have bought the Little Wandle at Home Phonics Flashcards don't forget to check out four fun games to play with your children on the [Collins website](#).

**Note:** Member schools wanting to share content with parents should share the link to this page. While some of the same content appears in the Engaging parents section in the logged in area of the website, the content on the Engaging parents page can only be viewed by members.

- Reading for pleasure books can be changed freely – Children are reminded but this is their responsibility.

# Lunch and snack

Please order lunches via Parent Pay. If you do not order a school dinner, your child will receive a pasta option.

Children will receive a piece of fruit or vegetable for morning snack. If your child wants a specific fruit or vegetable, they can bring it to school.

Please encourage independence when using cutlery at meal-times.

# PARENTS AND CARERS

The Daily Mile is a fully-inclusive, free and simple initiative which improves the physical and mental health of children. It's a social activity where the children run or jog, at their own pace, for 15 minutes every day and it improves focus in the classroom.
