

P.E & Sport Premium Impact Statement 2024-2025

School Context

Indian Queens School has 12 classes mainly with split year groups and a nursery. The importance of physical education throughout life cannot be underestimated. At Indian Queens School we strive to give pupils opportunities and skills to allow them to become passionate about exercise and sport. Schools receive PE and sport premium funding based on pupil numbers. This funding is used to make additional and sustainable improvements to the quality of PE and sport we offer. We use the premium to: * Develop or add to the PE and sport activities that we already offer; * Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.
