**FOOD FESTIVAL**

- Our fruity desserts are packed full of Vitamin C which helps fight coughs and colds!
- In many countries desserts are usually a sweet food, like ice cream and cakes but in some countries cheeses such as brie and fruit are served as dessert.
- Our custard, yoghurts and vegan/plant-based custards are good sources of calcium that helps keep your bones, skin and teeth healthy.
- From French pastries to Indian sweets, desserts are enjoyed across different cultures and countries.
- The word dessert comes from France and means 'to clear the table' because they used to be eaten standing away from the table to allow servants to clear up.

**FUN FACTS**

Did you know? Fruit cakes used to be eaten by Roman legionaries because it provided energy boosts on big marches, had a long life and boosted their mood!
