

What 'remote learning' can I expect from Indian Queens Primary School?

We would like to share with you our current intentions should your child need to be learning at home due to awaiting a test, socially isolating, or participating in a pod lockdown. Hopefully, such an event will not occur, but we are preparing for such eventualities.

EYFS content will be delivered through Tapestry E-Classroom

KS1 & KS2 content will be delivered through Google Classroom E-Classroom

Please ensure you have the login for the above so you can access learning for your child/ren (these were emailed out to all parents on MONDAY 21ST SEPTEMBER).

In addition to school content provided, the government's Oak Academy online lessons can be used for remote learning for every year group, covering a wide range of curriculum objectives.

Circumstance	Remote Learning								
<p>My child is absent because they are awaiting test results and our household is required to self-isolate. The rest of their school bubble are attending school and being taught as normal.</p>	<p>On Day One of your child not being in school, please use your child's login and the internet to access a variety of websites for general work.</p>

<p>bubble, have tested positive for Covid-19.</p>	<ul style="list-style-type: none"> • English uploaded to Google Classroom / Tapestry following the sequence of learning happening in the classroom. The quantity will be dependent on age/year of your child. Some of these will be 'handed in' to your child's class teacher on Google Classroom for marking. English tasks may consist of Reading, Writing, Spelling and/or Grammar activities in line with the class timetable. • Phonics for EYFS and KS1 to work on the sounds your child will be missing. • Topic task(s) following the lessons being covered in class that week. This may be the lesson being taught in school uploaded onto Google Classroom/ Tapestry along with resources / worksheets. If the lessons being taught in class are not able to be delivered remotely (e.g. if it requires additional resources such as art resources e.g. clay or pastels, or geography resources e.g. maps and atlases) then alternative 'topic' learning will be set on Google Classroom which may make use of the Government's 'Oak Academy' lessons.
<p>My child's whole bubble is not permitted to attend school for longer than the initially 14 days</p>	<p>As above and in addition:</p> <ul style="list-style-type: none"> • Video Learning/Support – at intervals, the staff will upload a short video where they set the children an activity/challenge to complete. They will also discuss the learning that they have set for the children to complete. • 1:1 support if your child receives 1:1 SEN support, and they are isolating, a more bespoke programme of support will be set up. This may include phone calls with you and/or child. They will usually be expected to still complete the learning set on Google Classroom. • Arbor Class Text Message/phone call from class teacher weekly • Arbor Email: Bullet point list of learning ideas, not requiring any ICT devices.
<p>We enter another 'lockdown' with total school closure. If a full Lockdown occurs the class teacher will be contactable between 9am – 3 pm excluding 12 – 1 pm.</p>	<p>The above provision will continue but further advice and information may be required if this occurs. This information will, as normal, be shared with all parents via Arbor.</p>
